

5 Southbourne Mews, Sheffield, S10 2QN

Offers Around £350,000

Located on this stunning tree lined road in the heart of The Broomhill Conservation Area is this beautifully and appointed and most spacious three bedroomed Penthouse Apartment. One of only five apartments in this purpose built stone building which was constructed in a most sympathetic manner with the surrounding architecture in 1999. The property occupies the full footprint of the second floor and is in immaculate condition throughout. There are two off road parking spaces, gas fired combination central heating and double glazing throughout. The accommodation comprises of entrance hall with two useful storage cupboards, 33ft long sitting / dining room, breakfast kitchen with integrated appliances. Master bedroom with recently refurbished en suite shower room, double bedroom two, bedroom three and recently refurbished bathroom.

Southbourne Mews is well situated for a wide range of amenities and open green spaces which include the award winning Botanical Gardens. Principal Hospitals & Universities are within a short walk.
